Depending on the scale of your remodel you may be able to **fit up to three restaurants worth of remodel packages on a single shipment** and reduce your overall delivery cost 50-66%

What's the process?

- ✓ Add the "multi-store consolidation fee" to each store order.
- ✓ Add "ship with store#1234" in the notes of each store order.

Restaurants within approximately 400 miles of each other can be consolidated. Typically, 2 remodels will fit on one truck.
