

## Tips

- To determine length, **add total length of all items** (Bread Cabinet, Hot Food, Cold Pans, Soup/Cookie Counter, Cashier\*) **requiring décor**  
*\*New Solid Surface Cashier units with chip shelf do not require décor*
- Select the closest length décor package**  
*Example: 17' 10" overall length= 17' Décor Package*
- Fresh Forward Solid Surface Décor** is to be used for line-ups that have a Solid Surface Top Cashier
- Fresh Start Retrofit Laminite Décor** is to be ordered for line-ups that have a Stainless Steel Top Cashier\*  
*\*Solid Surface Décor cannot be ordered for a line-up with a Stainless Steel Top Cashier*

*\*\*Refer to lengths noted on the completed Remodel Form rather than the Floor Plan as some items may be different lengths if existing*
