Stainless Steel Back Counter

Refresh the restaurant service area with an easy upgrade to the back line! Complete Stainless Steel Back Counters, a component of the new Fresh Forward Décor, are now available to order for new and existing locations with Metro or Fresh Forward Décor! The new back counters feature sleek, stainless steel décor with new narrow trim.

Back lines can also be retrofitted by changing the laminate panels to Stainless Steel using our complete kit, which includes the new narrow trim. Changing existing counters is quick and simple! See the chart below for ordering information.
